

## Department Activity

### Symbolism in Architecture

Courtesy of the honorable presidency of Philadelphia University - Jordan, and supported by the deanship of the Faculty of Engineering and Technology; the Department of Architecture Engineering has organized a series of lectures, titled (Around Symbolism in Architecture and Art). The event invited and hosted several scholars, from inside and outside the department, who participated with distinguished lectures. Some of the lectures were attended by the Dean of the Faculty, Prof. Ksim Al-Aubaidy, and the Deputy Dean, Dr. Mohammad Bani Younes, and the Dean Assistant - Chairman of the Department of Architecture Engineering, Dr. Omar Rawhi Daoud. Lectures were themed, organized and hosted by Dr. Nawar Sami AL-ALI, and presented by Eng. Noor Al-Huda Mohammad Abu Ghunmi, from the Faculty of Architecture.

The lectures were aimed to the students of Architecture, and Interior Design, and Graphic Design faculties. The subject was intended to expand the knowledge and experience of the students beyond the regular academic programs, and to enhance their ability of discussion outside the daily lecture halls.

Lectures were scheduled and presented on the theater of the Nursing Department, on each Wednesday and Thursday of the week, and for three weeks, from 24<sup>th</sup> of October till the 11<sup>th</sup> of November, of the year 2018 – 2019. The last lecture was distinguished for being presented online and live from Baghdad, with the assistance of the (faculty of Learning from a Distance) in the University.
