The Short Story In Jordan
Its Origin and Development

The objective of this study is to identify the origins of the short story in Jordan and to find the first beginnings of this literary genre and the stages through which it passed as well on the development of the artistic technique.

The study revolves around two themes:

1. The origin and beginnings of the short story.
2. Consolidation of the short story in Jordan.
   A. The pioneers
   B. The youth generation
3. Types of experimentation:

Sample: The Horse A collection of short stories by Hind Abu-al-Sha'r.
