EDUCATION

December 2023

Ph.D.: Cyber Security

Huazhong University of Science and Technology (79 Academic Ranking of World Universities® - SHANGHAI)

School of Cyber Science and Engineering, China

Thesis title: Robust and lightweight Sensitive Data Protection Method based on Privacy Protection.

Awarded [Huazhong University of Science and Technology, Outstanding Students Award 2022]

PROFESSIONAL SUMMARY

A committed lecturer with over 12 years of experience at leading academic institutions teaching students from various social and cultural backgrounds, possessing excellent administrative, verbal communication, and written skills along with constructive and effective teaching methods that promote a stimulating learning environment. Able to work in a managerial role or as part of a team and have the proven ability to successfully work to tight schedules and deadlines.

WORK HISTORY

October 2025 - Current

Lecturer, *philadelphia University*, Jordan

- Used a variety of learning modalities and support materials to facilitate the learning process and accentuate presentations.
- Worked cooperatively with other members of the faculty and staff to contribute to overall institutional effectiveness.

October 2024 - October 2025

Lecturer, *Ashur University*, Iraq

- Used a variety of learning modalities and support materials to facilitate the learning process and accentuate presentations.
- Worked cooperatively with other members of the faculty and staff to contribute to overall institutional effectiveness.
- Member of Quality Unit Assurance.

December 2023 - September 2024

Lecturer, *October 6 University*, Egypt

- Used a variety of learning modalities and support materials to facilitate the learning process and accentuate presentations.
- Established research agenda in cybersecurity, Bigdata, and internet of things fields to publish in peer-reviewed journals.
- Supervisor on more than 5 projects in Computer Science and cybersecurity.
- Worked cooperatively with other members of the faculty and staff to contribute to overall institutional effectiveness.
- Students devised in academic matters to improve successful course completion.
- Member of Quality Unit Assurance.
- Member of the Official Faculty Website Unit.
- Member of the University International Academic Ranking Office.

January 2019

M.D.: Big Data

Cairo University

Faculty of Computers and Artificial Intelligence, Egypt

Thesis title: Initial Data Placement Reordering in MapReduce Technique for specific Data Categories.

July 2013

B.Sc.: Information System

Faculty of Computer Science and Information Systems, Egypt

Graduation Project title: Low-cost Multi-point Interactive Whiteboard Using Wiimote.

The first in my class on my major.

Graduation Project Grade:

Excellent.

CERTIFICATIONS

- **Jun 2022:** Instructor and consultant, Information Storage and Management program (European Quality Training and Management Consultancy).
- **December 2021:** HCAI [Huawei Certified Academy Instructor].
- **October 2021:** HCIA [Huawei Certified ICT Associate] - Security.
- **June 2021:** HCAI [Huawei Certified Academy Instructor] - Specialty in Storage.
- **March 2020:** HCIA [Huawei Certified ICT Associate] - Storage.
- **February 2020:** Big Data Engineering certificate - IBM.
- **November 2016:** Teaching Strategies and Effective Learning, National Authority for Quality Assurance and Accreditation (NAQAAE).
- **March 2016:** Self Evaluation for H.E Institutes, National Authority for Quality Assurance and Accreditation (NAQAAE).
- **May 2014:** ArcGIS certificate - Esri.

Academic Advising:

- Ability to maintain high standards of achievement, behavior, discipline, and punctuality amongst students.
- Activating the academic advising forms to document the counseling sessions for students.
- Activating the career and academic guidance system.

Quality and National Academic Accreditation (QAU):

- Satisfying the NARS requirements for academic accreditation, including:
 - Course Specifications.
 - Course Reports.
 - Career and Academic Advising.

Jun 2022 - Current

- **Instructor and consultant** (European Quality Training and Management Consultancy), Information Storage and Management program, Egypt, UAE

December 2021 - Current

- **Huawei Instructor** in cloud storage track. (taught more than 200 hours)

December 2019 - November 2022

Assistant Lecturer, October 6 University, Egypt

- Co-supervisor for a few graduation projects.
- Developed easy and open rapport with students to encourage engagement and academic progress.
- Dispersed, collected, and graded assignments to give detailed feedback.
- Reviewed teaching activities and identified and implemented strategies to improve student learning outcomes.
- Performed various general administrative tasks such as filing, recordkeeping, and taking phone messages.
- Provided constructive and timely feedback to students to advise on areas of concern and suggestions. improvements.
- Prepared and organized different teaching aids for use in the classroom.

October 2013 - December 2019

Teaching Assistant, October 6 University, Egypt

- Assisted teachers with classroom management and document coordination to maintain a positive learning environment.
- Partnered with teachers to plan and implement lessons following school's curriculum, goals, and objectives.
- Tutored struggling students individually and in small groups to reinforce learning concepts.
- Supported classroom activities and reviewing work.

- **February 2014:** TOEFL - Cairo University Center for Foreign Languages and Translation Specialist.
- **December 2013:** Train the Trainers Track - Egabi learn.
- **May 2010:** Oracle SQL.

LANGUAGES

Arabic: Native language

English: B2
 Upper intermediate

Chinese (Mandarin): A1
 Beginner

SKILLS

- Involved in the research and design of new courses and materials.
- Assessing students' coursework and material.
- Involved in the setup of exams and the marking of results.
- Capstone Projects Supervision.
- Responsible for departmental administrative tasks.
- Providing mentoring, advice, and support to students on a personal level.
- Prepared monthly reports for senior managers.
- Actively leading class discussions and encouraging debate.

COMPUTER SKILLS

- Cisco Routing & Switching.
- MATLAB, Packet Tracer, GNS3 and OPNET.
- Operating systems (Microsoft and Linux).
- Microsoft SQL Server.
- Microsoft applications.
- Python Basics.
- HTML.

- Assisted teachers with classroom management and document coordination to maintain a positive learning environment.
- Mentored undergraduate and graduate students in effective next steps for education and career preparedness.
