Department Of Library & Information Science Guidance Plan

		First Semester				Second Semester		
Year	Course No.	Course Title	Prerequisi te	Credit Hours	Course No.	Course Title	Prerequis ite	Credit Hours
First	13099	English Language		3	390101	Introduction to Library Science		3
11150	11099	Arabic Language		3	110101	Arabic Language skills(1)		3
	75099	Computer Skills		3	130101	English Language skills(1)		3
Year	111101	National Education		3	310101	Principles of Accounting (1)		3
	111100	Military Science		3	330101	Introduction to Management		3
		University Elective		3				1.5
	_	Total Hours		18		Total Hours		15
		First Semester				Second Semester		
Second	390130	Information Resources Development	390101	3	390250	Information Services	390130	3
	390210	Cataloging (I)	390101	3	390310	Cataloging (II)	390210	3
	390220	Classification (I)	390101	3	390322	Classification (II)	390220	3
Year	390230	Computer Applications in Libraries(I)	390101	3	111162	Methods of Scientific Research		3
	130102	English Language skills(2)	130101	3	320110	Principles of Finance		3
	320102	Principles of Macroeconomics		3		University Elective		3
		Total Hours		18		Total Hours		18
		First Semester				Second Semester		
Third	390242	Printed and Electronic References	390101	3	390366	Information Technology and Communications	390330	3
		References						
	390330	Computer Applications in Libraries(II)	390230	3	350372	Service Marketing	350160	3
Year	390355	Computer Applications in Libraries(II) Periodicals and Their Bibliographic Control	390130	3	390391	Service Marketing Field Training(I)	350160	3
Year	390355 390380	Computer Applications in Libraries(II) Periodicals and Their Bibliographic Control Administration of Libraries and Information Centers				Service Marketing Field Training(I) Computer Applications for Administrative Sciences		
Year	390355	Computer Applications in Libraries(II) Periodicals and Their Bibliographic Control Administration of Libraries and Information Centers Principles of Markiting	390130 330101/	3 3	390391	Service Marketing Field Training(I) Computer Applications for Administrative Sciences Department Elective		3 3
Year	390355 390380	Computer Applications in Libraries(II) Periodicals and Their Bibliographic Control Administration of Libraries and Information Centers Principles of Markiting Department Elective	390130 330101/ 390250	3 3 3 3	390391	Service Marketing Field Training(I) Computer Applications for Administrative Sciences Department Elective University Elective		3 3 3 3
Year	390355 390380	Computer Applications in Libraries(II) Periodicals and Their Bibliographic Control Administration of Libraries and Information Centers Principles of Markiting	390130 330101/ 390250	3 3	390391	Service Marketing Field Training(I) Computer Applications for Administrative Sciences Department Elective		3 3
Year	390355 390380	Computer Applications in Libraries(II) Periodicals and Their Bibliographic Control Administration of Libraries and Information Centers Principles of Markiting Department Elective	390130 330101/ 390250	3 3 3 3	390391	Service Marketing Field Training(I) Computer Applications for Administrative Sciences Department Elective University Elective		3 3 3 3
Year	390355 390380 350160 390428	Computer Applications in Libraries(II) Periodicals and Their Bibliographic Control Administration of Libraries and Information Centers Principles of Markiting Department Elective Total Hours First Semester Types of Libraries	390130 330101/ 390250 390380	3 3 3 3	390391 371101 390442	Service Marketing Field Training(I) Computer Applications for Administrative Sciences Department Elective University Elective Total Hours	390330	3 3 3 3
