### Documentation and academic honesty

- Documentation style (with illustrative examples)

(1) All teaching materials are open to students and quality assurance organization; (2) All teaching materials are well-prepared before lectures, and are well-preserved after lectures; (3) All exam papers are totally confidential before, in the middle of, and after the exam, and are well preserved in Language Center archives; (4) Each test paper is well checked before printing, and each teacher signs his name upon the paper after reading and giving result to students; (5) Attendance is called on each class, and all attendance sheet and bonus giving is marked, well preserved in Language Center archives.

- Protection by copyright

(1) All lecture materials are genuine and original: teachers don't copy others' lecture materials or research papers, and all quotations are listed and announced; (2) All textbooks, handbooks, and other lecture materials (if applicable) are officially donated by Confucius Institute Headquarters/Hanban through Jordanian Customs, and are all printed by officially authorized publishers in China; (3) Students homework materials are well preserved and displayed (when necessary), and all display homework is openly announced among students.

- Avoiding plagiarism.

(1) Chinese staff promise to use original lecture materials in language teaching, and all quotations are listed and announced in lectures or research papers, violation of which results in the violator's public announcement and immediate resignation as Chinese teacher of Philadelphia University; (2) Each test paper is different in contents from previous ones, and each test paper is genuine and original; (3) Students are honest both in exams and at homework, and violation of which results in failure of the exam/homework--this is announced in the first class before all students.
